IFB No. 2014-197
TITLE# Vehicle, Fuel Tanker Truck

1250 Bidders were notified through BidSync

21 Bidders viewed the specifications via Bidsync

1 Bidder(s) responded to the bid as follows:

Southwest International Trucks, Inc.	\$275,844.84
--------------------------------------	--------------

Purchasing reached out to vendors who viewed the specifications but chose not bid to ask why they did not submit a response. Two potential bidders responded that they do not manufacture the type of tank that was described in the specifications. One could not provide a gas/diesel combination tank and the other one could not provide a gasoline tank as they only manufacture diesel, oil, and anti-freeze tanks.

A quote was received from Southwest International Trucks, Inc. using the Buyboard cooperative for the amount of \$278,693.00 for the complete truck minus optional warranties.

The Buyboard quote contained an engine warranty of 84 months/150,000 miles that was not included in the requirements of the bid. Public Works would like the option to purchase this warranty and the vendor is offering it at the same price of the Buyboard contract price of \$2800.00.

Bid 2014-197 + Engine Warranty = \$278,644.84
Buyboard Quote + Engine Warranty = \$281,493.00

IFB# 2014-197 is recommended to Southwest Trucks International, Inc., the sole bidder meeting specifications as evaluated by Public Works and the Purchasing Department. It also recommended that the County purchase the extended engine warranty per VTCA 262.0305, Modification after Award, for the amount of \$2800.00 for a total vehicle purchase price of \$278,644.84.
